**Proposal rejection letter**

Dear Madam/Sir,

I am writing in connection with your proposal for the above-mentioned call.

Having examined your proposal, we **regret** to inform you that — on the basis of the information you provided — it is unfortunately **inadmissible**, since it does not meet one (or more) of the admissibility criteria set out in the work programme/call.

Please find enclosed the admissibility/eligibility report. It shows the results of the admissibility check in more detail.

I would be grateful if you could inform the other members of your consortium of this letter.

Yours faithfully,

**Alan HAIGH**  
**Head of Department**

Enclosures:      Admissibility/eligibility report

## Information on the means of redress

You may request an **admissibility/eligibility review**. This request must be submitted by the coordinator (via the following link: <https://webgate.ec.europa.eu/redress-frontoffice/work.iface>) — within 30 days after receiving this letter.

You may request a legal review of the Agency decision under Article 22 of Council Regulation No 58/2003<sup>1</sup> ('**Article 22 request**') — within 1 month of receiving this letter (via the following link: [RTD-FOR-APPEALS-UNDER-ART-22-OF-REG-58-2003@ec.europa.eu](mailto:RTD-FOR-APPEALS-UNDER-ART-22-OF-REG-58-2003@ec.europa.eu)).

You may bring an action for annulment under Article 263 of the Treaty on the Functioning of the European Union ('**Article 263 action**') against the Agency — within 2 months of receiving this letter.

**⚠ Please be aware that you cannot take more than one formal action at a time.** Thus, if you make, for instance, a request for admissibility/eligibility review, you cannot — at the same time — take any other action (*e.g. also file an Article 22 request or an Article 263 TFEU action*). If you file an Article 22 request, you cannot — at the same time — bring an Article 263 action.

You must wait for the final decision of the Commission/Agency and can then take further action against that decision. All **deadlines** will start to run from when you receive the final decision.
