>>> Invoice for DBDH 1.4.1 nuclear repository planning

Dear Ms. Laurie Swami, Ms. Liza Frizzell, Ms. Georgina Kossivas,
Dear Mr. Doug Taylor, Mr. Derek Wilson, Dr. Paul Gierszewski,

For the development of DBHD 1.4.1 Canada nucl. repository plan
we send you the invoice now – with the payment you buy all the
copyrights on DBHD 1.4.1 Canada building plans and calculations.

That includes a half workday support daily for as long as the de-
veloper Ing. Goebel exists. - With the payment you buy a DBHD
country license for Canada only. Then you got all under control.

DBHD nuclear repository plan for Canada 2,95 Mio. CAD

That is a DBHD country license for Canada
„Including all copyrights on DBHD Canada“

If you work with DBHD without having payed
your country license, we sue you for the full
amount – not only for the 2.95 bargain price !

You can pay this invoice in one bankwithdraw
or in 10 portions each year april. Starting now.

See you soon in Canada to receive our orders.
We wish you a nice and successful week ...

With best regards from
Volker Goebel / Dipl.-Ing.
